

View My Schedule

The My Schedule page displays a selectable calendar month view and rows that display shift details for each day of that month. Shift details may include start and end times, holiday or time off information, and associated cost centers.

View My Schedule

Employees can access their schedule from the menu or from other areas of the solution such as the My Schedule/My Time Off dashboard widget.

Menu> My Info> My Schedule> Schedule

Schedule fields and functionality vary based on company configuration and security permissions.

| Marker | Field or Function | Description |
|--------|----------------------|---|
| А | Month | Use the arrows or the calendar icon to navigate between months. |
| В | Today | Select Today to jump to today's schedule. Today's date is indicated in the calendar with a highlighted border. |
| С | Selected Date | Select a date on the calendar to jump to that day's schedule. Selected dates are shaded solid in the calendar. |
| D | Schedule Information | Each row displays basic information about assigned shifts for that day. |
| E | Details | Expand the Details section to view additional information such as associated cost centers or whether or not the day is scheduled off. |
| F | Schedule Calendar | Dates that are shaded indicate an assigned shift on that day. Depending on company configuration, other icons may display to indicate holidays or scheduled time off. |
